HANDMADE EMPANADAS • CUBAN FAVORITES • READY FOR RETAIL

OUR STORY

Chef Casey and **Chef Gustavo** first crossed paths at Le Cirque NYC in 2011, where a friendship was born over a shared passion for food and culinary craft.

A decade later, that friendship became something more. In 2021, they started making empanadas out of a literal garage, selling directly to friends through Instagram. Then came the Everything Bagel Empanada. It broke the internet... locally speaking.

Word spread. Orders grew. And before long, demand had officially outgrown the garage.

OUR MISSION

Cubita Foods lives at the intersection of culinary craft and foodservice excellence. With every product we create and every partner we serve, we are driven by a commitment to quality, consistency, and meaningful collaboration.

OUR MISSION IS SIMPLE:

Help our customers succeed by delivering bold Cuban-inspired flavors that perform reliably in real-world kitchens.

To support this commitment, we continuously refine our recipes, processes, and product offerings to meet the evolving needs of distributors, restaurants, institutions, and retail partners. From ready-to-heat empanadas to custom development and private-label programs, Cubita is built to adapt, scale, and innovate.

Our products feature clear, streamlined packaging and consistent specifications to make ordering, preparation, and service effortless. Behind every item is a chef-led development process and rigorous quality standards, ensuring dependable performance and exceptional flavor in every batch.

WHY *CUBITA*?
